

## ***Life Navigators Guardianship Program Expanding our Work to Serve Those with the Greatest Needs***

### **Our Goal—Join Us**

To ensure a high quality of life for those with the greatest needs, Life Navigators is working to expand our Guardianship program. Our goal is to raise the needed funds to serve an additional 50 adults with disabilities and provide planning services for an additional 100 families.

### **Guardianship Services**

Providing critical decision-making and support to ensure adults with disabilities have the on-going services and support to lead a safe, happy and healthy life in our community. Life Navigators is a trusted partner delivering Guardianship services.

#### **Core Services Include:**

- Providing legal decision-making
- Offering protection and advocacy
- Responding to crisis and emergencies
- Overseeing long-term care needs
- Ensuring a high quality of life

### **Our Impact**

Each year, Life Navigators supports more than 4,800 kids and adults with disabilities and their families throughout the greater Milwaukee community. Over 80 percent of those served are low-income and live below the poverty line. Together we can serve those with the greatest needs to ensure safe, happy and healthy lives.

### **Serving those in Need**

Life Navigators is working to secure the lives of adults with disabilities and their families. With your support today, we can meet the growing need for guardianship services.

Ensuring health and safety to serve an additional 50 adults while providing services to those with the greatest needs that do not have a family member to fulfill this critical role.

Establishing a Guardianship program emergency fund to ensure the safety and protection for 90 adults to be served by year end 2020.

Providing long-term planning and assistance to 100 families to create peace of mind and a plan for the future of their loved one in need of successor guardianship.
